

**LYKINS**  
ENERGY SOLUTIONS

**Press Release:**

**Lykins Energy Solutions is pleased to announce the launch of our new online Customer Portal**

The new online Customer Portal will give our customers secure, mobile, anytime access to account information – account balance and aging, available credit, and last payment amount and date – as well as to searchable and sortable lists of documents like invoices, draft notices, and price quotes. The documents are provided in PDF format so they can be viewed, saved, and printed right from the portal as needed.

Please contact your Lykins Energy Solutions sales representative for access to the portal and with questions about the features available on our convenient new portal.

Access the portal by connecting to <http://AscendPortal.FireStreamOnline.com/Lykins> OR by clicking the link to the Customer Portal at [www.LykinsEnergy.com](http://www.LykinsEnergy.com) from any web-enabled mobile device or PC.

Lykins Energy Solutions is much more than an oil company. We are energy in everyday moments.
