

## Lykins Energy Solutions – Community Volunteering at Work 2015

Two of Lykins Energy Solutions employees, Kathy Igo – Accountant and Mary Eisnaugle – VP of Marketing, helped a community food drive for the Inner Parish Ministries on Friday, August 28th 2015.

The Inner Parish Ministries gave groceries to 100 families in need. The families received a variety of meats, soups, crackers, spaghetti, spaghetti sauce, macaroni and cheese, breads and pastries.

Everyone was very grateful and Lykins Energy Solutions feels very blessed to have helped with such an amazing worthy cause!
